Reagan Reopens Greensboro, N.C. and Decatur, Ala. Cases Against Innocent Whites To Win Minority Vote

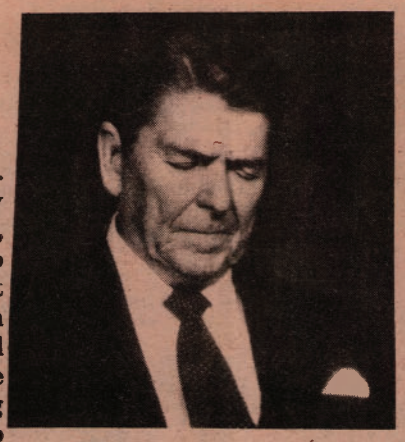
Reagan Persecutes White Patriots — Now Tricks White People Into Voting For Him

The Greensboro, N. C. case had been dropped by the Carter Administration, so had the investigation into the Decatur, Ala., incident when blacks shot up a Klan parade. Reagan's Civil Rights Division of the Justice Dept. now is trying the innocent Greensboro Patriots and is indicting the White Decatur, Ala., Patriots — WHEN THE CARTER ADMINISTRATION FOUND THEM INNOCENT!!!

This means we would have been far better off if Jimmy Carter had been re-elected President than we are now under Reagan and his tyrannical Reconstruction Justice Dept.

Remember Reagan and Asst. Atty. Gen. William Bradford Reynolds officially re-started COINTELPRO back last March 21, 1983. This is the illegal spy program to infiltrate pimps into right-wing Patriotic groups, undermine them, disrupt and neutralize our activity. COINTELPRO is operated by the FBI and ATF under Reynolds direct orders which must first be approved by Reagan. Innocent Patriots are forced to suffer through months of long trails and endless appeals such as the Greensboro Patriots and the Decatur, Ala., Patriots. They are victims of a deliberate and coldly calculated persecution on the part of the Reagan Administration to obtain the Jew and negro bloc vote — AT THE EXPENSE OF OUR BROTHERS THEY WANT IMPRISONED FOR LIFE!



Ronald Reagan — sacrifices White people for black vote.

Alabama Patriots Roger Handley, Ray Steele, And Billy Riccio Indicted By Reagan In Election Ploy

Whites Tricked Into Voting For Reagan

A tragic mistake was made when so many of us worked for and voted for Reagan in 1980. Reagan is so bad that it would be better to vote for anyone else, just in protest against his illegal use of the Justice Dept., in persecuting our people. Reagan has the audacity to file a suit in Birmingham on March 4 supporting ten White police officers who were denied promotions. The policemen filed the lawsuits last year charging they were passed over by promotions of black officers who were less qualified and held less seniority.

The irony of the Reagan action filing a brief just before the upcoming election in this long pending suit is that the affirmative action (quota) promotions were made under a federal court order approved by the Reagan Administration in 1981! In other words, to fool White voters near election time Reagan is filing a brief in Birmingham against his own program of promoting blacks over Whites!

Warn your friends - vote for anyone except Reagan in November. He has betrayed our trust. It makes no difference who is elected in November so long as it is not Ronald Reagan! Remember there is no opposition to liberal legislation on the part of Republicans in Congress right now because both parties support Reagan's liberal bills.

If a democrat was President, like Jimmy Carter, at least the elected Republican Senators and Congressmen would oppose unlimited aid to Israel, money to IMF banks, etc. Also big tax increases are planned by Reagan if he is re-elected — God forbid — VOTE AGAINST REAGAN - VOTE FOR ANYONE EXCEPT REAGAN - DON'T LET SUCH SELL-OUTS TAKE OUR VOTE FOR GRANTED AND THEN STAB OUR PEOPLE IN THE BACK!

Reagan Sacrifices Supporters To Capture Minority Vote

The Jimmy Carter Administration had dropped the investigation into the Greensboro, N.C. shoot-out between Ku Klux Klansmen and the Communist Workers Party. The Reds were in the process of holding a "Death To The Klan" rally when the Klansmen dared to show up. Five Reds were killed and the evidence during the first trial proved the Communists fired first. Thus the jury voted to acquit the Klansmen. This case was reviewed by the Justice Department under Pres. Jimmy Carter and after months of investigation thoughts of further prosecution were forgotten.

When Reagan took office he assigned Assistant Attorney General William Bradford Reynolds to seek out any and all possible cases involving White Patriots who could be tried for violating the civil rights of minorities. Reynolds now brags the Reagan Administration has brought more civil rights cases against White people than any other in U.S. history. Thus, after a five year delay, just like the "Greensboro" trial, these Klansmen are scheduled to be tried just before the November election for the specific purpose of helping Ronald Reagan win the minority vote.

Roger Handley, famous Patriotic speaker.

Reagan Plans Case Against Alabama Patriots

Decatur, Alabama was the scene of a shoot-out between local police and negro civil rights demonstrators on May 26, 1979, when they confronted the Klan marchers. Two Whites were shot and three blacks wounded. The local police arrested the blacks for starting the trouble and they were convicted. The innocent Whites who were wounded were never charged. The Jimmy Carter Administration spent four months seeking to find some way in which the Klansmen could be charged with violating the so-called "civil rights" of the blacks but could not. Thus no federal charges were brought. NOW THE REAGAN ADMINISTRATION IS MOVING TO INDICT THREE KLAN LEADERS JUST BEFORE THE FIVE YEAR STATUE OF LIMITATIONS EXPIRES ON MAY 26, 1984!

This is a blatant ploy to capture the negro vote from the Democratic Party at the expense of loyal, patriotic, Christian Americans — most of whom endorsed Ronald Reagan and worked for his election! Reagan has betrayed those who believed he would lead a crusade against communism in America. The truth is Reagan is following the dictates of the Zionists and Marxists who want all active right-wing Christian Patriots silenced.

Facts About The Alabama Case

On May 26, 1978 negro Tommy Lee Hines was arrested and charged with the rape of three White women. He was convicted and this caused a national protest by Marxist and civil rights groups who claimed Tommy Lee Hines was so mentally retarded he was incapable of committing the act of rape. At a later date his conviction was overturned on the grounds that he was mentally unable to understand the charge against him. He has since been sent to a mental institution.

One year later, on the anniverary of Hines' arrest, the SCLC civil rights group obtained a permit for a protest march in Decatur, Ala. The Ku Klux Klan, under Grand Dragon Roger Handley, requested and

lord Reynolds dispatched Craig Schaffer from Washington, D. C. to join Assistant U. S. Attorney Bill L. Barnett in Birmingham, Ala., to try and find some excuse to indict these patriots. In the meantime left-wing Zionist Morris Dees, (who is of Russian descent) and the multi-millionaire head of the "Southern Poverty Law Center" in Montgomery, Ala., filed suits against Handley, Steele, Riccio and many others claiming they had somehow conspired to violate SCLC negro Curtis Robinson's civil rights and the other members.

As a part of this suit Morris Dees has taken a wide range of depositions — a total of 191 at last count! He was able to find around 19 people who were frightened by the suit who agreed to testify against Handley, Steele and Riccio. All of the information obtained from these depositions has been turned over to the FBI and U. S. Attorney's Barnett and Schaffer. This aided in their dispicable last minute attempt to invent a case against these Klansmen.

Whites Civil Rights Violated

Thus on Nov. 10, 1983 U. S. Attorney, Bill L. Barnett sent Klan leader Roger Handley a letter informing him that he is "*one of the subjects of a federal grand jury investigation in this District into the conspiracy to violate and violations of civil rights in Decatur, Ala., on May 26, 1979, the subsequent conspiracy to obstruct and the obstruction of justice, and other matters.*"

Barnett has since informed Roger Handley's lawyer that toward the end of March, indictments will be handed down which will carry a total of 40 years imprisonment if convictions are obtained on the following four counts. They are: "Conspiracy to violate civil rights, actual violation of civil rights, conspiracy to obstruct justice and actual obstruction of justice." What is actually alleged is

that the Klansmen, before the march began, talked about stopping the black march and later advised members not to talk with the FBI. The truth is that no one is ever required to answer any question by either the police or the FBI. One of the SCLC demonstrators were convicted by local authorities of actually stopping the Klan march by shooting at them and wounding two Klansmen. None of the Klansmen were ever charged with shooting at the black SCLC marchers as it is believed the police were forced to fire said shots in self-defense!

Why didn't the Reagan controlled Justice Department ever give any thought at all to bringing charges against the SCLC leaders for violating the Civil Rights of the Whites in this case? In fact, the federal government has never, ever, brought civil rights charges against non-Whites, anywhere in the nation despite numerous blatant such cases.

Reagan After Black Bloc Vote

The five year statue of limitations in this case against Handley and the others would expire May 26, 1984. Why did the Reagan Administration wait just before the end of this period to bring up this case with twisted facts and issues abounding to obtain this phony indictment? The answer is that Reagan wants to win the Black bloc vote and this trial will be going on just before the elections next fall. Pres. Reagan has already attacked the Klan on his Feb. 25th broadcast. His civil rights head, William Bradford Reynolds, brags that more civil rights cases have been brought against White people under the Reagan Administration than any other in the history of the nation. Thus, WHY VOTE FOR REAGAN?

BH 44-3507

By letter dated October 26, 1979, HENRY I. FROHSIN, First Assistant, United States Attorney, Northern District of Alabama, Birmingham, Alabama, advised that after reviewing all the reports relating to the confrontation of May 26, 1979, between Ku Klux Klansmen and City Police Officers of Decatur, Alabama, no federal statutes were violated during the course of the incident. He further advised that this matter was discussed in great detail with the Civil Rights Division of the Department of Justice and they concurred in his decision to decline prosecution.

Below Reagan's Justice Dept. threatening letter informing Roger Handley he will be indicted on trumped-up civil rights charges?

Dear Mr. Handley:

This letter is to advise you that you are now one of the subjects of a federal grand jury investigation in this District into the conspiracy to violate and violations of civil rights in Decatur, Alabama on May 26, 1979, the subsequent conspiracy to obstruct and the obstruction of justice, and other matters, in possible violation of federal criminal law.

The grand jury has asked me to extend to you an invitation to appear before the grand jury at 1:30 p.m., December 8, 1983. Please come to Room 200 in the Federal Courthouse, Birmingham, Alabama, located on 5th Avenue North between 18th and 19th Streets if you choose to accept the invitation.

You must understand that a decision by you to testify will be a completely voluntary decision by you and your testimony could be used against you if any criminal charges should be returned against you.

I would appreciate it if you would ask your attorney to notify me in writing by Wednesday, November 30, 1983 as to whether or not you will accept the grand jury's invitation to testify. If your attorney has not contacted this office by that date, I will assume that you do not wish to testify.

Very truly yours,

received a permit for a counter-protest march on the same day. A confrontation arose when the two groups met. Local police stated that between seven and 23 shots were exchanged within nine seconds. The police later testified that the blacks fired the first shots. Three blacks were wounded and two White Klansmen, David Kelso and Burt Kilgore. Only the blacks were charged with acts of violence against the White demonstrators. Convicted were Negro Curtis Robinson, guilty of assault with a deadly weapon and attemped murder. He was given two years probation. Also arrested were Negroes, Tim Guster for having a fully loaded 30-30 rifle and John Ride for carrying a 22 over 4/10 gage shotgut. AGAIN — NONE OF THE WHITES WERE ACCUSED OF ANY ILLEGAL ACT!

Pres. Carter Had Whites Investigated

Pres. Jimmy Carter's Democratic Administration immediately dispatched 10 FBI agents who spent five months investigating any possible civil rights violation.

Handley obtained, under the Freedom of Information Act, the final decision of Justice Dept. U.S. Attorney Henry Frohsin on Oct 26, 1979 as stating: "*No federal statues were violated during the course of the incident. He further advised that this*

dishonestly blamed the Klan while defending the wild blacks and communist organizations which really incited the riots. Reagen left out all of the facts in the case and briefly here they are: The Ku Klux Klan obtained a permit for a march in Washington protesting the King Holiday Bill on Nov. 27, 1982. They had a Constitutional right to march just as the blacks and communists who have all but taken over our nations capital and hold public demonstrations all the time.

Communists groups such as the Progressive Labor Party, Workers World Party, Spartacus League and other groups openly distributed "Death To The Klan" handbills in ghetto neighborhoods. They drove around in sound trucks urging blacks to fill the streets and "Smash the Klan march."

Whites Had Right To March

A heavy contingent of police shielded the 30 Klansmen who attended a brief meeting and were secretly escorted out of town. When the communist and blacks discovered they were not going to be able to attack and kill the Klanspeople they turned on the police, began rioting, and looting stores. In all, 12 officers were injured and 19 persons arrested for rioting, assaulting police and looting. A dozen store owners have sued the mayor's office for $100,000 in damages for not protecting their property. Bob Getz of the Melart Jewelry Store said his windows were smashed and $6,000 in watches stolen. Mike Sendar of Big Wheel Bikes suffered $20,000 in damages stating: "*I harbor some resentment toward the police. Their response was woefully inadequate.*"

It should be noted that one of the accused rioters, negro Lawrence McNeall, 40, of 11 46th St., S.E., Washington, believe it or not, is a mail room super-

bicycles — anything they could lay their criminal hands on."

Columnist Patrick Buchanan Blamed Reds — said establishment was wrong.

Buchanan criticized negro Mayor Marion Barry for saying, "It turned out alright — it could have been a lot worse!" Buchanan asked what would have been the response if Black Panthers had obtained a permit to march and a thousand Whites rioted, vandalized and looted. The FBI would have swooped down and arrested all who organized the malay and charged them with violating the civil rights of "the poor blacks." The daily press, Mayor Barry, the National Council of Churches and Jew Anti-Defamation League would be screaming against such a "Resurgence of Hate" and demanding the stiffest possible penalties.

Reagan Backs The Reds

When Pres. Reagan, on these two recent occasions attacked the Klan for "inciting the Washington riot, he in effect supported the various communist organizations. Reagan is encouraging minorities to riot every time a Patriotic White peoples organization demonstrates! Reagan hid the fact from the people that the Klan demonstration was totally peaceful and they were completely within their Constitutional rights. He did not attack the communists, thus protecting them from all blame, when their leaders should all have been arrested and charged with inciting to riot! What if White Patriots called for a "Death To The Communist" rally to "Smash The Communist March!" Reagan's Justice Dept. would have the FBI arrest us all.

Thus Pres. Reagan has

climbed in bed with the radical minorities. We must now do all within our power to vote Reagan out of office in November. He has stabbed White Patriots in the back and we will do all we can to expose his treachery to the fullest. The time has come to be aware of exactly who has betrayed us. Reagan thinks he has the White vote in his back pocket so now he is going after the minority vote. WE HAVE HAD ENOUGH — VOTE THE BETRAYER REAGAN OUT!

Wisdom of Seneca — 2,000 Years Ago!

Lucius Seneca was one of the few figures of ancient Rome still revered and quoted today. He was a statesman, philosopher, adviser and magistrate under Caesars Claudius and Nero. His writings have lived on nearly 2,000 years ago after his death. Seneca's teaching reflected his great wisdom and courage. Here are but a few lines from his voluminous writings.

* All things are never so entirely cut off from a man that there is no room for honorable action.

* We should choose as friends those who are as far as possible, free from immoderate desires.

* He who fears death will never do anything worthy of

is Tay-Sachs. The other diseases cannot be identified until a Jew shows symptoms. By then it is too late to stop its eventual course.

The Incurable Jewish Race Diseases

* **Tay-Sachs** is a fatal disease. About one out of every 27 Jews is a trait carrier. If two Jews with the trait should marry there is a 25 percent chance their offspring will have the full disease. It affects the nervous system, retards and reverses infant development and results in seizures, blindness, debilitation and eventually death.

* **Gaucher's disease** trait is carried by one in 25 Jews. It causes bone and joint pain, fractures and impaired blood clotting, but is not fatal.

* **Dysautonomia** is carried by one in 50 Jews. Victims don't have tears, can't feel pain, have respiratory and swallowing problems, poor motor coordination, stunted growth, speech, drooling and scoliosis (curvature of the spine). Life span is shortened.

***Dystonia** trait found in one in every 70 Jews. A mysterious disease of the brain which causes loss of muscle control. Disease is progressive but not fatal.

* **Bloom's syndrome** results in stunted growth, skin problems, respiratory problems and ear infections. Can be fatal as it increases the risk of cancer. One in 120 Jews carry this trait.

* **Neimann Pick** disease affects children. There is massive spleen enlargement, emaciation and degeneration of the central nervous sytem and death before age three.

* **Musolipidosis IV** was only discovered in 1977 as an exclusive Jewish disease. It is not fatal but leads to mental retardation and near blindness.

Other Differences in Jews

Medical writer, Margaret Eisen (a Jewess) issued a report on Feb. 23, 1984 on characteristics which are peculiar to Jews. The following is a summation of her findings:

1) Reaction to pain: Jews are more emotional about pain. Even after pain subsides they continue to worry and question its meaning and consequences. They worry about side effects of treatment and are more apt to consult more than one doctor.

2) Color blindness to red and green colors is nearly 10 percent in Jews and the highest rate of any race in the world.

3) Reaction to milk: In Israel two out of every three Jews are alergic to milk and milk products. This is a genetically transmitted enzyme deficiency. Blacks and Asiatics have a similar high incidence of these allergies. This does not exist in the White race and indicates that Jews from the Kazar area of South Russia have strains of Asiatic blood.

4) Professional ambition: Jews find business dealings less boring, wearisome, tiresome, or monotonous while White Europeans more often succumb to feelings of discouragement. In business dealings Jews have less feelings of guilt and anxiety.

5) Concerns of Jewish women: Jewish women worry more about childbirth, menopause and are less likely to breast feed their children than any other race.

6) Disease susceptibility: Jews more often have inflammatory bowel disease, Hodgkins disease, diabetes and coronary artery disease than non-Jews.

7) Other health problems: Jewish women have the highest risk of breast cancer and suffer from obesity. Jews suffer from a problem of "short thumbs" and have very hairy ears causing them to shave the top of their ears.

These are major and minor health problems of the Jewish race. The chief point in this article is that the race of people who so loudly proclaim their belief in "racial equality" are very different from the White European race. This is just a partial listing and we recommend that you read the book "Jews Must Live" by Samuel Roth which details Jewish character differences. Available for only $3 per copy, from The Thunderbolt.

Israel's Caste System

We Need The Laws of The Caste System

In Israel and much of the far-east various terms have a far different meaning than they do in this country. The term "bastard" means one who is born of a mixed marriage such as a Jewish father and a gentile mother. Thus when the late Moshe Dayan made a speech which was misinterpreted in this country in which he stated: "I am not a bastard." He meant both his mother and father were full blooded Jews. This term has nothing to do with an illegitimate birth. Also, the term adultery to Orthodox Jews and the people of India means having sexual relations outside of your caste or religion — such as between a Hindu and a Moslem. It does not mean "cheating" on your spouse as the term does here.

Thus when the ancient Aryans invaded the north of India they established Segregation laws within their religion to keep the races separate. This worked for hundreds of years. It is called the caste system and is still in effect today. There are some 13 different castes in India ranging from those at the top (the pure White people of Northwest India) to the pure black in the southeast. Here are some of the ancient sayings of the Aryan religion written several thousand years ago but still applicable today within our society.

Laws of Manu - Mixed Castes - "The adultery of different castes by marriage with women who ought not to be married . . . Arose the confusion of the castes. These beget despicable sons, even more sinful than their fathers, and are excluded from the Aryan community . . . In consequence of sin a person can be born an outcast . . . The Kingdom in which such bastards mix — the purity of the castes quickly perish together with its inhabitants."

Thus we have seen how the great White civilizations of India, Egypt, Haiti, Carthage, Brazil and other nations have been destroyed. The cause is interracial breeding between members of the superior White race and those of the inferior black race.

ability to defeat any one not 100 percent pro-Israel. Germany will give Israel 140 million marks this year and by the end of the century will have given 43 billion additional marks to so-called Jew holocaust survivors and Israel.

German Chancellor Helmut Kohl, 52, suffered through the disgusting experience of paying a "state visit" to Israel. There he was insulted by Prime Minister Shamir, faced a walkout by some members of the Israeli Knesset (Parliament) and anti-German demonstrators wherever he traveled in the Jew state. The Jews expected Kohl to agree to their demands to cancel a $5 billion contract with Saudi Arabia to furnish that pro-Western and anti-communist nation with tanks, missiles, helicopters and modernization of their army. America sells AWACS planes and other military items to Saudi Arabia and France just signed a $3 billion arms agreement with them, still the Jews demand Germany be totally subservient to Israel — more so than the U. S.!!!

No sooner had Kohl landed in Jerusalem than Shamir drove him to the Yad Vashem combination holocaust museum and memorial honoring the fictitious Jew claim to have lost six million dead during W.W. II. (Revisionist historians estimate the true figure at between 250,000 and 300,000 — far less than any of the other major combatant in the war!) Shamir requested Kohl to cancel the arms deal with the Saudis and drop recognition of Waffen SS war veterans as a legal organizatin in Germany. To his credit Kohl refused both requests. After the five day visit Kohl left with added insults. There was no farewell ceremony at the airport and no joint statement with Shamir (which is the normal way in which state visits are supposed to end.)

Kohl is forced to pay homage to Jews at holocaust Yad Vashem memorial.

Later Kohl said, "We heard their arguments, but decisions on such matters are made in Bonn, not in Jerusalem." Some Jews had the audacity to call even this statement — anti-Semitic.

Holocaust Memorial Now Tourist Site

Spending Money On Holocaust Projects

"Jerusalem Post" of Oct. 29 carries a very interesting letter from Lila Brodsky, a Jewess, who lives in Jerusalem. She writes: "I read the Oct. 3 report about the expansion of the Yad Vashem holocaust memorial. The addition will include 'The Valley of Jewish Communities **Destroyed by the Germans.'** This may well be an interesting new site for tourists. I am definitely a believer in never forgetting the holocaust but I think enough is enough! To use $8 million at the present time to build rocks and caves seems ludicrous when people here cannot even afford to buy a condominium to live in. Why not buy reasonably priced houses on streets named after the destroyed Jewish communities? I am sick and tired of the low standard of living here. Those involved in expanding the Yad Vashem holocaust project should pause and give thought to how many nice houses $8 million could build!"

More Anti-White Job Discrimination

New York City's police dept. has 23, 288 officers (one of the largest police forces of any city in the entire world). Of that number, 18,315 (or 84%) are White males, compared to 21,350 White males in 1978. Again an overall drop in available jobs for Whites.

These are not Nazies, but Jews, demonstrating and Chancellor Kohl during his State Visit to Israel. The above J of the hundreds of thousands of holocaust survivors!

Jew Hatred For All Things German

The following press reports give some indication of how tolerant and forgiving Jews are. **Newsweek,** April 28, 1980 quotes Jew Gene Galvin of Van Nuys, Calif. *"Germany should be boycotted. For the last 35 years, millions of Jews the world over have been staying away from Germany as tourists — which is a more realistic way to face the holocaust."*

Jewish Week of March 2, 1984 on New York Jew Mayor Ed Koch's visit to West Berlin, *"Mayor Koch of the world's greatest city is being shepherded around the former capital of Nazism. Is he diplomatic, mouthing niceties? Does he smile and scrape and bow pretending to be comfortable in a place from which was directed the murder of six million Jews? No, Mayor Ed Koch, plainly and strong tells the German gove ment and the German peo that the proposed sale arms to Saudi Arabia wrong and should not be c ried out. He says it is moral question, redeem y name, don't aid an enemy Israel, many of wh citizens were victims of Holocaust. Right-on, Ed."*

Reuters News Servi "Israeli border guards ref ed to allow some U.S. p sonnel to cross into Isr from Lebanon because th were traveling Volkswagens. Those drivi in other types of vehic were waved through checkpoint. There was immediate explanation fr Jerusalem."

Jewish Week of Jan. carried a large ad panel the Jewish Mobilizati Committee and three ot Jew groups. A lar headline called for an a

ting Alabama Lt. Gov. Bill Baxley and Atty. Gen. Charles Graddick. The court room is in the Old Post Office bldg., in downtown Atlanta. Dr. E. R. Fields will attend and all of J. B. Stoner's friends are welcome.

J. B. Stoner was convicted, under the constant glare of TV coverage in a court room jammed with members of the daily press for allegedly bombing a negro church used as a center for civil rights demonstrators way back in 1958. No one was injured in the blast. It was nearly 20 years later when then Atty. Gen. Bill Baxley had Stoner indicted at the request of the Jew Anti-Defamation League. There was only one serious witness against Stoner and all of Stoner's defense witnesses had died.

Mr. Stoner's appeal was turned down without a hearing by both the Alabama Supreme Court and the U. S. Supreme Court. This sustained the lower trial court's conviction. The state of Alabama asked the 11th Circuit Court not to allow oral argument in the case calling the appeal "frivolous". But, the court in essence ruled his appeal does have merit by granting Stoner oral argument in open court. The judges must hear the case and hand down a written opinion which all three must sign. How can they get around the three year delay? "Due Process" under the U. S. Constitution means you must be indicted not more than three years after an offense.

J. B. STONER

If this conviction is allowed to stand it means the protection of our statue of limitations are no longer in effect! It means that citizens can be tried for any offense, 20 or 30 years after it occurred. This would mean the beginning of American becoming a Soviet Republic. The final outcome will effect the freedom of Americans for generations to come. The court room will again be filled with the press and interested observers. You are invited to attend and see whether or not we still have freedom in America. J. B. Stoner thanks all who gave to his defense fund which enabled him to pay his lawyers in full for this final appeal.

Chief Ken Harms fired.

the police dept. replacing officers with "black civilians" so that there would be more "black input" over the police dept. Chief Harms said, "This plan is 90% B.S." The rank and file officers opposed this plan as radical black agitators would be included wrecking police morale.

Gary acted like a black African dictator by ordering Chief Harms to turn in his gun, badge and city car. He then ordered Harms not to leave his home between 9 A.M. and 5 P.M. and not enter any city buildings. In addition, Harms was told to report daily to the police dept.'s internal security unit between 10 a.m. and 2 p.m.

County Commissioner Joe Carollo charged that Chief Harms had been dealt with unfairly and without justification. He said Gary's excuse for not informing him of the impending action was because he didn't know his phone number while all other city officials did? Carollo added:

"The question here is whether this city will have a one-man dictatorship or government by the elected representatives of the people. Howard Gary has intimidated every department head in the city except Ken Harms, and he can't stand that."

In the meantime Gary has appointed a Jew from New York City, Herbert Breslow, 51, as the new Miami Police Chief. Breslow immediately had the lock changed on Harms office — he explained, "this is to protect the integrity of Harms' files."

Thus the city of Miami sinks even deeper into crisis, crime and disorder.

Reunification of Germany Will Come

Nick Eberstadt writes that regardless of what happens between Russia and the West the question of the reunification of Germany is considered in all decisions on detente. So great is the Reds' fear of a united Germany, he writes: "There is a German national essence. To consider one's self German is to be pulled by powerful tides. Even if one talks to East Germans about pleasantries the subject of reunification invariably, obsessively, comes up. Polls indicate that only 8% of Germans believe East and West Germany will be reunited before the end of the century. Yet private conversa-

Serious Recession (Depression?) Predicted For

Our Economic Page

Debt Ridden Americans Not Worried

The average American is like an ostrich with its head buried in the sand — "Worry, not me." Money Magazine reports that 74% of men and women are in debt. Some 81% have credit cards and during the past year averaged $1,800 each on their cards. Nearly half have less than $5,000 in savings. Some 58% have not made out a will, yet nine out of 10 are confident about their economic future.

Economic Doomsday Looms

The national debt will rise by $1 Trillion between 1984 and 1989. All Presidents throughout America's history combined only ran up a deficits totaling $766 billion. Reagan's deficit will total $180 billion this year and if reelected will reach $248 billion annually by 1989. Thus the total deficit after eight years of Reagan will be a staggering $1.3 trillion dollars. Just imagine for a moment that the budget was balanced in 1970 and nearly so in 1974!

Few realize that interest on the national debt has risen to third place in the budget ($150 billion this year), with defense first and Social Security second. How much is a billion dollars? If a shopper could spend $100 a minute 24 hours a day for 19 years he could spend this sum!

U.S. A Third World Debtor Nation?

What does the future hold for us? If the annual deficit is not reversed our standard of living will nosedive. Interest rates will skyrocket, inflation will rise, unemployment will go up. Already the dollar is weakening and this means that foreign investment could flee the U.S. Should this occur we could end up owing foreign countries more than they owe us — we could become another Brazil, Poland, Argentina or Mexico.

This process has already begun with Americans last year investing $834 billion overseas while foreign investments in the U.S. dropped to $665 billion. We live in a world of false prosperity with investment spending steadily declining. The Association of Business Economists polled its members and 66% said a serious recession is possible in 1985. This would snowball the deficit because the government would be spending even more and taking in less and less.

Chrysler Chairman Lee Iacoca says, *"It's a scandal. I don't know what they're doing in Washington — it's wacko time. I've lived half my life but I am worried about my children."*

This year's budget will rise by $80 billion which is a rate far higher than under Pres. Jimmy Carter. Thus it is wrong for Reagan to place

ment between Churchill, Stalin and Roosevelt to force some four million anti-communist refugees back to Russia and certain death after World War II. As it turned out some two million actually were deported back to Russia and all were either executed immediately or perished in the frozen Siberian death camps.

Allies' leaders code named this murderous project, "Operation Keelhaul." The word Keelhaul comes from the old English navy practice of punishing sailors by tieing them with ropes and then dragging them under the ship from one side to the other. Those who lived through this torture emerged half-drowned and torn by barnacles. This was an ordeal from which only a proportion could hope to emerge alive. Thus the Keelhaul operation name applied to sending anti-communists back to Russia. This had an even more sinister meaning because none of them had a chance to survive.

The hordes who fled toward the West at the end of W.W. II included one million Soviet soldiers who had joined the Germans under famed Gen. Andrei Vaslo to fight to liberate their homeland from communism. The other three million were civilians, men, women and children trying to escape Stalin's murder machine. Before the program was stopped Britain, France and America had shipped two million people to Stalin's death camps. This real holocaust has been suppressed by the daily press and TV. This mass murder of innocents has been fully documented. Why are there not anti-communist movies and TV docudrama's over the fight to the death which many Russians put up before being forced to return? Here is a true dramatic story of a people who fought for freedom but were betrayed by the West in one of the greatest crimes in all history.

Russia's prisoners of peace

NICHOLAS BETHELL ("A Brutal Exchange," Spectrum, last week) recounts the handing over by British Forces to the Soviet authorities of 39,000 Cossacks during the summer of 1945, described by Alexander Solzhenitsyn as "the last secret of the Second World War." Lord Bethell further points out that the reason why the Cabinet gave this tragic order was to ensure the release of many thousand Allied prisoners of war overrun by the Red Army during their advance westwards and then in Soviet custody.

The two Cossack Corps were not the only Russian-born troops then in British hands. A Ukrainian division of 12,000 men was in a camp in Northern Italy under the guard of the Scottish Horse, in which I was serving. We were informed by our friends in the army in Austria, who had had to carry out the order, of the many suicides that took place before the hand-over was complete, and of the belief of the Cossacks that they faced certain death or enslavement (a belief all too well-founded, as Solzhenitsyn relates).

Being unaware of the reasons for the order, we made the strongest possible representations to the authorities that the Ukrainians should not be given a similar fate. In the event the vast majority of them did not return to Russia but were sent to agricultural work in England and Canada. Instead, a Soviet delegation came to the camp to address the men and try to persuade them to return voluntarily to Soviet Russia, and a few—a very few—did. I very well remember entering the camp with the Soviet delegation and seeing the thousands of Ukrainians, many of whom were boys in their early teens and old men, fleeing in blind terror from the parade ground to avoid the eyes of the three Russian officers who accompanied us.

Your article has raised a doubt in my mind where before none existed. I do not know what were the reasons for sparing the Ukrainians, but I should hate to think that representations made by us on humanitarian grounds in any way endangered the life of Allied prisoners of war.—**John Falconer, London W4.**

The Rev. Jesse Jackson's PUSH organiztion has achieved yet another lucrative victory over a large White owned corporation. Jackson has called off his boycott of Anheuser-Busch beer products after the company agreed to the following requirements:

Increase black employment above its present 18%. Build a $10 million fund to help blacks become beer distributors, $23 million was spent with minority contractors, $10 million in black construction, $8 million in black advertising and placing $14 million in black banks. Pass the word — Budweiser & Busch are enough to make you sick — BOYCOTT THEM!!

Coors Boycott Called

The Urban League, NAACP and Rev. Jesse Jackson's PUSH all called for a boycott of Coors beer. Some stores in black neighborhoods asked distributors to remove the product from their shelves. Russ Simpson, a black working for Denver's Martin Marietta Corp. said: "I felt he was saying, 'If you blacks disagree with what I'm saying, go back to Africa.' " Still one black businessman, Alan Jackson said, "Bill Coors gave a damn good speech. Coors has helped Denver blacks a lot."

Congratulations, Mr. Coors, for having the fortitude and guts to stand up before a minority group and fearlessly speak the truth. We need more such leaders like you with backbone in America. With Budweiser running Black History ads all the time, and Miller owned by Jews, beer drinkers have an alternative — Coors!

Red Official: Jews In Soviet Politburo

Mexico's Soviet Ambassador, Rotislav Sergeyev held an audience for Jews concerned about Jews in Russia. Sergeyev told them that anti-Semitism was banned by law in the Soviet Union. He stressed the point that there are Jews sitting on the ruling Politburo including Viktor Grishin the Jewish mayor of Moscow. That city has a Jewish population of 300,000 and has had a Jew mayor since the days of Stalin. He also said Leningrad had the second highest Jew population in Russia, over 200,000 with many holding high positions in the government and in the professions.
